Title: Assistant Professor of Mathematics
Department: Mathematics & Computer Science
Reports to: Division Chair for Natural and Physical Sciences
Post Date: July 6, 2010

The position will remain open until filled, and screening of applications will begin immediately. The position will be available immediately.

Description:

Philander Smith College's Division of Natural and Physical Sciences is seeking applicants for a full-time, tenure-track faculty position of Assistant Professor of Mathematics and Computer Science.

Duties (include but not limited to):

- Teach 12 hours in Mathematics and Computer Science courses;
- Serve as a mentor to Mathematics, Computer Science and Engineering majors;
- Conduct scholarly research;
- Participate in activities as the department develops a plan for Academic Distinction.

Successful candidates MUST have demonstrated experience in using technology inside and outside of the classroom.

Qualifications:

Minimum education requirement is a graduate degree in Mathematics, Computer Science or related field. Minimum work experience includes 2 years of teaching Mathematics or Computer Science at the college level.

To apply, send resume or C.V., copies of transcripts and three professional letters of recommendation to:

HumanResources@philander.edu

Only those applicants that have the minimum requirements will be considered.

No phone calls, please.

Philander Smith College is an equal opportunity employer and does not discriminate applicants or employees based on their age, race, sex, national origin, ethnicity, veteran status or religion.
